

## Bouillon de cultures – Dialogue en anglais

### ENG – THE DOOR

Director

Next!

*The actor enters the stage, out of breath. He trips and recovers at the last minute. The director gives him a harsh stare.*

According to your resume, you work with doors.

Actor

That's right. I'm even a specialist. There are not a lot of us in the domain.

Director (*Confused.*)

Um, yaaa... Show me what you can do.

Actor (*With a wry smile.*)

Give me a door, you'll see what I can do, I don't do things halfass backwards.

Director

Here's your door my man.

*The actor casually crosses in front of the door. He returns and sensually caresses the door. He opens it, falters and ends up going inside. He closes the door. Break.*

Come on, we get it, you can come back now.

*Silence. The director approaches the door and decides to open it, but can't. He knocks on the door.*

Open up, come on! Don't leave me alone!

*(He curls up at the foot of the door.)*
